- Windy Standard I turbine location
  - Windy Standard II turbine location
  - Existing borrow pit location
  - Existing construction compound
- Windy Standard I & II tracks**
- Existing WSI track
  - Existing track to be upgraded
  - Consented WSII track
  - Consented forest track
  - Transformer route

**Notes:**

a) Information on this map is directly reproduced from digital and other material from different sources. Minor discrepancies may therefore occur. Where further clarification is considered necessary, this is noted through the use of text boxes on the map itself.

b) For the avoidance of doubt and unless otherwise stated:

1. where a line recorded in the key demarcates a boundary on this plan, the boundary edge is the outside edge of the line.
2. where a line or feature recorded in the key of this plan is also shown as a line or feature by the Ordnance Survey, and that line or feature is located in a different position on the ground than shown by the Ordnance Survey, then the line or feature shall be deemed to follow the position as existing on the ground.
3. this plan should be used for identification purposes only, unless specifically stated above or in accompanying documentation.
